Cross-Contact

All our beverages are hand crafted uniquely for you. Due to the nature of how we create our beverages we cannot guarantee that they are free from any allergens. Our beverages are prepared where allergens are handled by our partners, and where equipment and utensils are used for multiple menu items, including those containing allergens. If you do not see a product in this booklet, please always ask the barista, so they can advise accordingly.

Ingredient information within this booklet is based on standard product formulations, variations may occur. Please note some menu items may not be available in all stores.

This information is updated regularly to reflect our procedures instore.
