Cross Contamination

All our beverages are hand crafted uniquely for you. Due to the nature of how we create our beverages we cannot guarantee that they are free from any allergens. Our beverages are prepared where allergens are handled by our partners, and where equipment and utensils are used for multiple menu items, including those containing allergens. Whilst we try to keep things separate we cannot guarantee any item is allergen free. Please remember to check this information regularly as we're always working on our recipes. For more allergen information please ask your barista.

Ingredient information within this booklet is based on standard product formulations, variations may occur. Please note some menu items may not be available in all stores, and will not cover test products. If you require allergen information about test products, please ask one of our trained barista's.

This information is updated regularly to reflect our procedures instore. Please check www.starbucks.co.uk for the most up to date information.

For allergens including cereals containing gluten see ingredients in **BOLD CAPITALS**. All our beverages are hand crafted uniquely for you. Due to the nature of how we create our beverages we cannot guarantee that they are free from any allergens. Our beverages are prepared where allergens are handled by our partners, and where equipment and utensils are used for multiple menu items, including those containing allergens. Whilst we try to keep things separate we cannot guarantee any item is allergen free. Please remember to check this information regularly as we're always working on our recipes. For more allergen information please ask your barista. Adults need around 2000kcal a day.

For allergens including cereals containing gluten see ingredients in **BOLD CAPITALS**. All our beverages are hand crafted uniquely for you. Due to the nature of how we create our beverages we cannot guarantee that they are free from any allergens. Our beverages are prepared where allergens are handled by our partners, and where equipment and utensils are used for multiple menu items, including those containing allergens. Whilst we try to keep things separate we cannot guarantee any item is allergen free. Please remember to check this information regularly as we're always working on our recipes. For more allergen information please ask your barista.

Adults need around 2000kcal a day.

For allergens including cereals containing gluten see ingredients in **BOLD CAPITALS**. All our beverages are hand crafted uniquely for you. Due to the nature of how we create our beverages we cannot guarantee that they are free from any allergens. Our beverages are prepared where allergens are handled by our partners, and where equipment and utensils are used for multiple menu items, including those containing allergens. Whilst we try to keep things separate we cannot guarantee any item is allergen free. Please remember to check this information regularly as we're always working on our recipes. For more allergen information please ask your barista. Adults need around 2000kcal a day.
